Guides is the section of Girlguiding for girls aged 10 to 14

Through regular meetings, special events, day trips, sleepovers, camps and holidays, Guides learn new hobbies, play music, explore other cultures and get adventurous outdoors. Girls also extend their knowledge and abilities by following the [Guide programme](#) which includes interest badges - about science, cooking outdoors, films, all sorts - special activity packs and unique awards like the Baden-Powell Challenge Award, which really help at school and later in life.
